

Alba Graduate Business School, The American College of Greece and the International Community for Maritime and Ocean Professionals (SNAME) Greek Section offer one partial scholarships (50% of the tuition fees) for the MBA in Shipping program (19,750 €) and one partial scholarships (50% of the tuition fees) for the MSc in Shipping Management program (12,500 €) for the academic year 2020-2021.

Through a combination of academic rigor with practical knowledge, **the MBA in Shipping** provides students with the ability to make sound and timely decisions and to cope under pressure in the rapidly changing shipping environment. More than that, the program invests heavily in leadership and strategic management competencies, which are particularly relevant both as personal advantages and as essential resources for companies in this sector. The Program aims at currently employed working professionals with work experience of at least three years as well as in A Captains and Engineers.

The MSc in Shipping Management is a specialized program, providing students with a holistic and in depth knowledge of the most important issues in modern commercial shipping. The program is designed to develop recent graduates and young professionals equipped with the skills, knowledge and expertise required for a successful career in the demanding and highly competitive world of shipping.

Interested applicants should complete and submit the online application, to be found at: [http://www.campusweb.acg.edu/ICS/Admissions ALBA/](http://www.campusweb.acg.edu/ICS/Admissions_ALBA/)

Note that the evaluation of applications and the final selection of the scholar will be made on a **merit basis**, from Alba Graduate Business School in collaboration with the SNAME Greek Section.
